

# Entry Form Crane Awards 2022

## Crane Training Company of the Year

Are you a crane company who prides itself on providing outstanding training to your employees? Gain the recognition you deserve for taking the lead and training the next generation of operators.

### Entry Criteria:

The nominated company must:

- Have a crane trainee currently employed with them OR
- Had a crane trainee complete a crane qualification with them in the last 18 months

### Judging Criteria

The nominated company must demonstrate:

- That high quality trainee support is provided in the workplace
- How training and professional development is promoted in the workplace
- How trainees are provided with an effective training environment
- Exceptional commitment to industry training
