

Overnight closures of the Remutaka Hill road

Planning to drive between Wellington and Masterton?
You'll need to plan your journeys to avoid 22 overnight closures of State Highway 2 over the Remutaka Hill in the 8 months from November 2020 to June 2021.

Before: Unsafe working environment, constant stop/go delays for road users

Night-time closures: Safer workers, greater productivity, fewer daytime delays for road users

The 14km Remutaka Hill road on State Highway 2 will be closed for essential maintenance and slip prevention works from 9pm–4am on 22 nights from November 2020 to June 2021. The overnight closures include 4 block closures of 4 or 5 nights in a row and 3 single Sunday night closures.

Overnight closures on this steep, narrow road increase safety for maintenance crews and enable better quality work.

Road crews are able to complete many months' worth of maintenance in a small number of closures because multiple crews can work across the hill at the same time without causing disruption to traffic. This significantly reduces stop/go disruptions for travellers at other times.

- **A shuttle van service can be booked for night shift workers and others with essential commitments.**
- More information about the closures can be found at www.nzta.govt.nz/remutaka or email remutaka@nzta.govt.nz.
- Access will be available for emergency services throughout the closures.

Thank you for your patience as we work to make the road safer.

Remutaka Hill ROAD CLOSED

Closures	Start 9pm	Finish 4am
5 nights	Sunday 8 November 2020	Friday 13 November 2020
1 night	Sunday 13 December 2020	Monday 14 December 2020
