

Entry Form Crane Awards 2022

Project and Lift of the Year Awards

What is the purpose of the awards?

To recognise excellence and innovation in the crane industry in New Zealand. The Project and Lift of the Year is open to all members of the Association and are the most highly contested awards.

The Project of the Year has been run each year since 1996. The Lift of the Year has only been run since 2017. The Awards are easy to enter, and entry is free.

Opportunity for reflection

The act of writing and submitting an entry is an opportunity to reflect on what has worked well over the last year or so, and the lessons learned. This process of critical analysis is valuable in evaluating your strengths and ongoing challenges.

Finalists and the winner can present their lift/project to conference delegates. All the finalists will go into the People's Choice Award which will be chosen by conference attendees.

The successful lifts/projects of all finalists are acknowledged at the Association's Conference Gala Dinner, which takes place on the final day of the annual conference.

Who judges the awards?

The awards are judged by a panel appointed by the Council.
